

# TOWN OF CANTON<sub>CT</sub>

**BUILDING DEPARTMENT**

4 MARKET STREET, PO BOX 168, COLLINSVILLE, CT 06022-0168

## **Commonly Installed Auxiliary Heating Appliance Requirements:**

2022 Connecticut State Building Code

All appliances listed below require heating permit.

This includes a wood burning stove, pellet stove, wood fireplace inserts, gas log fireplace set, gas log insert, freestanding gas heater, or similar.

**You must include with the permit application:**

- 1. The appliance specifications**
- 2. Installation instructions**
- 3. A floor plan of the room or area (with the dimensions of that area)**

All must be listed and labeled for the specific use, i.e., **ASTM, UL, CA, or an approved listing agency.**

**All wood / pellet appliances – Heating permit**

**All gas appliances – Heating & plumbing permits (plumbing for gas supply piping)**

**NOTE: Freestanding chimneys and fireplaces require a separate building permit**
